

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: YOUNES, Maged

Title: Prof

Profession: Independent International Expert, Global Public Health

Current EFSA involvements: Chair-FAF Panel 2018-2024 (FAF), Member-Scientific Committee 2018-2021 (SC), Hearing Expert-FAF WG on Titanium dioxide (E171) (FAF), Chair-WG on Non-monotonic dose-responses (SC), Chair-WG on Sweeteners (FAF)

Nature of Activities	Period	Organisation	Subject matter
I. Financial investments			NO INTEREST
II. Managerial role			NO INTEREST
III. Member of a scientific advisory entity	01/2017 - now	-Name: World Health Organization (WHO), World Health Organization, Geneva, SWITZERLAND	International Health Regulations (2005) roster of experts. I could be called upon as a member of specific Emergency Review Committee that could be formed to deal with a public health event of international concern. I have not been a member of any specific emergency committee to date. Impact on annual earnings: 0%
	10/2016 - now	-Name: World Health Organization (WHO), World Health Organization, Geneva, SWITZERLAND	JECFA roster of experts. If called upon to join a particular meeting of the FAO/WHO Joint Expert Committee on Food Additives (JECFA), to participate as an expert and contribute to the development of ADIs/TDIs as a basis for standard setting at the Codex Alimentarius Commission. I have not been invited to any meeting of JECFA to date. Impact on annual earnings: 0%

	07/2019 - 12/2022	-Name: Food Standards Agency, Committee on Toxicity of Chemicals in Food, Consumer Products and the Environment (COT) (FSA), Food Standards Agency, Committee on Toxicity of Chemicals in Food, Consumer Products and the Environment (COT), London, UNITED KINGDOM	The Committee on Toxicity of Chemicals in Food, Consumer Products and the Environment (COT) is an independent scientific committee that provides scientific advice to the Food Standards Agency, the Department of Health and other Government Departments and Agencies on matters concerning the toxicity of chemicals. As a Member, I will participate in discussions around risk assessment of chemicals and methodologies of risk assessment. No risk management advice is given, nor any related decisions are made. Impact on annual earnings: >0% and <5%
	11/2018 - 12/2021	-Name: BfR, Bundesinstitut für Risikobewertung, Federal Institute for Risk Assessment, GERMANY, Berlin	Member of the BfR Commission on Food Additives, Flavouring Substances and Stabilising Agents. The Commission meets 0-2 times per year depending on the need. No full opinions on any substance are issued. Only questions concerning specific publications or scientific developments are addressed. Pure scientific views are sought. No management functions or managerial advice are involved. Impact on annual earnings: >0% and <5%
	05/2018 - 12/2021	-Name: BfR, Bundesinstitut für Risikobewertung, Federal Institute for Risk Assessment, GERMANY, Berlin	Member of the BfR-Committee on Evidence-based Methods in Risk Assessment; as of 6 June 2018 Chair. The Committee meets 1-2 times per year at maximum, and provides scientific advice on modern, evidence-based methods available in the field of risk assessment, and on new methodological developments. Pure scientific views are sought. Impact on annual earnings: >0% and <5%
	04/2014 - 12/2017	-Name: World Health Organisation (WHO) Guidelines Development Group - Nutrition Actions	Develop scientific guidance on nutritional supplements, and related matters. 1 - 2 meetings per year of 4 days each. Impact on annual earnings: 0%
IV. Employment	07/2013 - now	-Name: Retired	Retired from all employment. Annual earnings refer to my pension. Impact on annual earnings: >25%
V. Occasional consultancy	03/2016 - now	-Name: World Health Organization, Western Pacific Regional Office and China Office (WHO), Manila; Beijing, PHILIPPINES	Occasional consultancy and provision of high-level advice on global health governance in general, as well as food safety policy and legislation for countries of the WHO Western Pacific Region, particularly China. Maximum 2-4 weeks per year, if requested. The advice covers legislation and food safety management systems in countries of the Region, particularly China, with emphasis on inspection services, surveillance and outbreak control, and traceability and recall systems. No advice on the evaluation of individual food components is provided. The work is purely restricted to scientific advice and does not cover any work related to the risk management decision process in any way. Furthermore, it does not include any work related to the evaluation of food additives or flavourings, or any other food chemicals. Impact on annual earnings: >0% and <5%
VI. Research funding			NO INTEREST
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations	12/1996 - now	-Name: Society for Risk Analysis (SRA)	Professional Society involving scientists in various fields of risk analysis. This is a scientific society that does not entail the production of any common views. I have no official role there, but only receive the Society's journal, and am provided information on open scientific meetings. No conflict of interest Impact on annual earnings: 0%
	03/1981 - now	-Name: Society of Toxicology (SOT), USA	Professional Society involving scientists in the field of Toxicology. No conflict of interest. Impact on annual earnings: 0%

	03/1979 - now	-Name: Deutsche Gesellschaft für Pharmakologie und Toxikologie	Professional Society. Pharmacology and Toxicology. No conflict of interest. Impact on annual earnings: 0%
	03/2014 - 12/2016	-Name: Medichem (Occupational Health)	Scientific Society dealing with Occupational Health in the field of Chemical Safety. Member. Impact on annual earnings: 0%
	06/2014 - 06/2016	-Name: Janssen Academy for Continuing Medical Education	Member of the Trust Board, the role of which is to ensure quality, integrity, scientific rigor and transparency of continuing education tools provided by the Academy. 1 -2 meetings of half-a-day per year. Impact on annual earnings: >0% and <5%
(Close family member)	06/2014 - now	-Name: International Commission on Occupational Health	Scientific Society bringing together scientists with experience and interest in various aspects of occupational health. Impact on annual earnings: 0%
IX. Other relevant interest			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
