

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: GUNDERT-REMY, Ursula

Title: Prof. Dr.

Profession: Medical Doctor (retired since June 2008)

Current EFSA involvements: Hearing Expert-CEP Panel 2018-2024 (CEP), Member-FAF Panel 2018-2024 (FAF), Member-FAF WG on Titanium dioxide (E171) (FAF), Member-WG Enzymes (CEP), Member-WG on BPA re-evaluation (CEP), Member-WG on In vitro metabolism (PPR), Member-WG on Sweeteners (FAF), Chair-WG on the re-evaluation of food additives permitted in foods for infants below 16 weeks of age (FAF), Member-WG on the re-evaluation of remaining food additives other than colours and sweeteners (FAF)

Nature of Activities	Period	Organisation	Subject matter
I. Financial investments			NO INTEREST
II. Managerial role	01/2015 - 12/2016	-Name: German Society of Experimental and Clinical Pharmacology and Toxicology	The German Society of Experimental and Clinical Pharmacology and Toxicology is a Scientific Society (http://www.dgpt.de) of which I have been a member of the board (Präsidium) until 31 December 2016. The board is responsible for the administration of the organisation including the organisation of Annual meetings. DGPT does not assess the safety of substances/drugs/environmental pollution. Impact on annual earnings: 0%

	01/2011 - 12/2016	-Name: German Society of Toxicology	<p>The German Society of Toxicology (GT e.V.) is a Scientific Society (http://www.toxikologie.de) of which I was the President until 31 Decemebr 2016, elected by the members of the Society, and not paid for performing this function. The Society is a member of EUROTOX and IUTOX. Together with the Societies of Pharmacology and Clinical Pharmacology the three Societies form the German Society of experimental and clinical pharmacology and Toxicology (DGPT e.V.). The President of GT e.V. is supported by a board. The board is responsible for the administration of the organisation including the organisation of Annual meetings. The Society has established a training proramme in Toxicology for its young members. The board has two 1 day meetings per year, the time taken to comply with the activity's requirement is 2 hours per week. The society has committees and in 2011 a paper on BPA was issued where I am a co-author, but this paper does not present a view of the society or is issued on behalf of the society.</p> <p>The Society has not carried out or is carrying out BPA risk assessment activities and there is no overlap with the mandate of the WG BPA assessment protocol.</p> <p>Impact on annual earnings: 0%</p>
III. Member of a scientific advisory entity	11/2018 - now	-Name: Wissenschaftlicher Beirat der wissenschaftlichen Institute der Bundeswehr (Scientific Advisory Board of the Departmental Research Institutes at the Medical Academy of the German Armed Forces) (There is no acronym.), Scientific Advisory Council of the Institutes for Pharmacology and Toxicology, Microbiology and Radiation Protection of the German Armed Forces, Munich, GERMANY	<p>The participation in this Scientific Committee is on a honorary basis. Selection is by the Head of the Medical Academy of the German Armed Forces and it is a honour to be asked to serve in this committee.</p> <p>Remit: Issuing opinions on the scientific output of the Institutes; giving advice on research projects</p> <p>Reviewing and commenting verbally at meetings on scientific research projects Subject: pharmacological and toxicological studies on e.g. the role of the TRPA1 receptor in lung injury by sulfur mustard; microbiology e.g. identification of viruses (e.g. ebola); identification of genes related to radiation insensitivity Role:chair Impact on annual earnings: 0%</p>
	11/1986 - now	-Name: Committee on Drugs of the German Medical Association	<p>Giving advice to the German Medical Association in all fields of drug treatment for patients, inclusive side effects of drugs. I am a member of the committee. The subject is related to drugs only. I have to spend 2-4 hours per week for this activity. Impact on annual earnings: >0% and <5%</p>

	05/2012 - 12/2016	-Name: Federal Institute for Risk Assessment (BfR)	<p>I was a Member of the Committee on Food Additives, Flavourings, and Processing Aids until 31 Decemehr 2016.</p> <p>The role of this committee is to advise the Institute on substances and products.</p> <p>Independent external experts have been appointed to this BfR Committee who input their expertise into the Institute's work on a voluntary basis. This expert network gives BfR access to expertise on the highest scientific level for its risk assessments of food, feed, chemicals, consumer products and other articles of daily use as well as on risk research and risk perception. The Committee has 1 meeting (1 day) per year. The time to be spent is 8 hours per year.</p> <p>I have not been involved in the safety assessment or in discussions about caffeine.</p> <p>The Committee has not delt with assessment of BPA and I was never involved in a safety assessment of BPA or in discussions on BPA in BfR.</p> <p>The committe took note of the publication by Ritz et al.(Phosphate additives in food--a health risk.Ritz E, Hahn K, Ketteler M, Kuhlmann MK, Mann J.Dtsch Arztebl Int. 2012 Jan;109(4):49-55) but did not issue an opinion and did not give advise to BfR.</p> <p>Impact on annual earnings: 0%</p>
IV. Employment	11/1996 - 05/2008	-Name: Federal Institute for Risk Assessment (BfR)	<p>Retired from BfR for more than 5 years</p> <p>During the time of my employment I was responsible DEpartment Head for the evaluation of pesticides and alos overlooked the developmant of guidances and proposals for regulatory work in this are. Since my retirement I am not involved anymore in any activity.</p> <p>Impact on annual earnings: 0%</p>
V. Occasional consultancy			NO INTEREST
VI. Research funding			NO INTEREST
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations	03/1972 - now	-Name: German Toxicological Society, formerly German Society of experimental and clinical Pharmacology and Toxicology	<p>Scientific Society in the field of Toxicology with several WGs, Scientific Programme of Annual Meetings, No Funds from industry</p> <p>The Society is running a postgraduate eduction programme which is paid by the attendees where I am teaching physiologically based toxicokinetic modelling</p> <p>Impact on annual earnings: >0% and <5%</p>
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
