Another contact took place at the beginning of 2015. Since these first contacts, I had no other contact with this company for which I did not realize any work and I did not, of course, receive any payment or compensation of some kind that it would be. In these circumstances, there is and has never been any conflict of interest that may conflict with my activities at EFSA. That's why I deleted this statement, which was out of place. Impact on annual earnings: 0%
<b>X. Interests of close family members</b>			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
