

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: CORDELLI, Eugenia

Title: Dr.

Profession: scientist

Current EFSA involvements: Member-WG on Flavourings (FAF)

Nature of Activities	Period	Organisation	Subject matter
I. Financial investments			NO INTEREST
II. Managerial role			NO INTEREST
III. Member of a scientific advisory entity	09/2012 - 09/2014	-Name: OECD, Organization for Economic Co-operation and Development, Organization for Economic Co-operation and Development, FRANCE, Paris	Member of the expert group on the in vivo comet assay. The working group assisted in the reviewing the draft validation report and the TG on the comet assay No financial benefit has been received by the applicant in her personal capacities Impact on annual earnings: 0%
IV. Employment	05/1989 - now	-Name: ENEA, Italian National Agency for New Technologies, Energy and Sustainable Economic Development, Agenzia Nazionale per le Nuove Tecnologie, l'Energia e lo Sviluppo Economico Sostenibile, ITALY, Rome	Senior Scientist in the Laboratory of Health and Environment, I am involved in studies focused on genetic toxicology, radiation biology and reproductive toxicology. My main tasks are research design, team coordination and liaising with internal and external collaborators, scientific paper writing; teaching and training of bachelor and master students. Impact on annual earnings: >25%

V. Occasional consultancy			NO INTEREST
VI. Research funding	05/2018 - 10/2018	-Name: Aarhus University Hospital	Service Contract to ENEA for the analysis of 127 human semen samples by Comet tests. My role: Responsible Scientist for ENEA. No private funds are involved in this project. No financial benefit has been received by the applicant in her personal capacities
	05/2016 - 01/2017	-Name: San Raffaele Roma srl	Service Contract to ENEA for “Comet assay analyses of blood cells of elderly treated with Ginkgo biloba leaf extract (IDN5933, Ginkgoselect®Plus)”. My roles: Scientific responsible of the contract, conducting experiments, write reports, dissemination. Deliverables: report and scientific publication. The budget does not exceed 25% of the total annual research budget that is managed by the applicant No financial benefit has been received by the applicant in her personal capacities
	01/2016 - 01/2017	-Name: Aarhus University Hospital	Service Contract to ENEA for the analysis of 150 human semen samples by Comet tests and SCSA. My role: conducting experiments, write reports, dissemination No private funds are involved in this project. No financial benefit has been received by the applicant in her personal capacities
	08/2013 - 01/2017	-Name: EC, European Commission	Seventh Framework Programme Research Grant, Project NANoREG, A common European approach to the regulatory testing of nanomaterials. My roles: conducting experiments to assess the genotoxicity of nanomaterials, write reports, dissemination. No private funds are involved in this project. No financial benefit has been received by the applicant in her personal capacities
	09/2015 - 09/2016	-Name: INDENA S.p.A.	Research Contract to ENEA for “Evaluation of cytotoxicity, genotoxicity and gene expression evaluation of Ginkgo biloba leaf extract (IDN5933, Ginkgoselect®Plus) treatment in human hepatic cell lines” My roles: contributing to perform experiments, write reports, dissemination. Deliverables: report and scientific publication. The budget does not exceed 25% of the total annual research budget that is managed by the applicant No financial benefit has been received by the applicant in her personal capacities
VII. Intellectual property rights			NO INTEREST

VIII. Other memberships or affiliations	01/2014 - 12/2019	-Name: Italian Society of Environmental Mutagenesis and Genomics (IT)	Councilor of the Italian Society of Environmental Mutagenesis and Genomics (Italian section of the European Environmental Mutagenesis and Genomics Society). Responsibilities include providing advice on publishing/organising meetings, content of meetings in view of developing and disseminating mutagenesis science. No financial benefit has been received by the applicant in her personal capacities Impact on annual earnings: 0%
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.

Date: 16/08/2020 Signature: **SIGNED**
